343-E.	Voluntary response action program	15
343-F.	Reporting and disclosure requirements	18
344.	Processing of applications	18
344-A.	Outside review of applications	21
344-B.	Timetable for processing permit applications	22
345-A.	Hearings	23
346.	Judicial appeals	24
347-A.	Violations	24
347-C.	Right of inspection and entry	27
348.	Judicial enforcement	27
349.	Penalties	28
349-A	Mining rules	31

CHAPTER 3
PROTECTION AND IMPROVEMENT OF WATERS

Subchapter I
Environmental Protection Board

Article 1, General Provisions

Section	Page
361-A. Definitions	32
362. Authority to accept federal funds	34
362-A. Experiments and scientific research in the field of pollution and pollution control.....	34
363-D. Waiver or modification of protection and improvement laws	34
372. Exceptions	34

Article 1 -B, Ground Water Protection Program

401. Findings and purpose	35
402. Research	35
403. Ground water quality	36
404. Ground water rights	36

Article I -E, Marine Environmental Monitoring Program

410-F. Marine Environmental Monitoring Program	38
410-G. Report required	38

Article 1-F, Nonpoint Source Pollution Program

410-H. Definitions	39
410-I. Cooperation with agencies	39
410-J. Program implementation	39
410-K. Program review	40

Article I -F, Article I -G, Lakes Assessment and Protection Program

410-L. Lakes Assessment and Protection Program established	41
410-M. Lakes assessment and protection	41

Article 2, Pollution Control

411. State contribution to pollution abatement	42
411 -A. State contribution to residential overboard discharge replacement projects	43
411 -B. Planning	44
412. Grants by State for planning	44
412-A. Technical and legal assistance	45
412-B. Consultation on waste water disposal	45
413. Waste discharge licenses	46

414. Application for licenses	48
414-A. Conditions of licenses	50
414-B. Publicly owned treatment works	54
414-C. Color pollution control	55
417. Certain deposits and discharges prohibited	56
417-A. Manure spreading	57
418. Log driving and storage	57
418-A. Protection of the lower Penobscot River	57
419. Cleaning agents containing phosphate banned	58
419-A. Prohibition on the use of tributyltin as an antifouling agent	58
420. Certain deposits and discharges prohibited	59
420-A. Dioxin monitoring program	63
420-B. Surface water toxic monitoring program	64
420-C. Erosion and sedimentation control	67
420-D. Storm water management	67
423. Discharge of waste from watercraft	71
423-A. Discharge of waste from motor vehicles	71
423-13. Watercraft sewage pump-out facilities at marinas	71
423-C. Registered owner's liability for vehicle illegally discharging waste	71
424. Voluntary water quality monitors	72

Article 3, Enforcement

451. Enforcement generally	73
45 1 -A. Time schedule variances	73
452. Forms filed; right of entry; furnishing information	76

Article 4-A, Water Classification Program

464. Classification of Maine waters	77
465. Standards for classification of fresh surface waters	86
465-A. Standards for classification of lakes and ponds	88
465-B. Standards for classification of estuarine and marine waters	88
465-C. Standards for classification of ground water	89
466. Definitions	90
